**What skills & interests are missing here?**  
**Can we present them in a holistic way?**

# Get recognition for skills you learn anywhere.

## Earn

Earn badges for skills you  
learn online and offline

## Issue

Give recognition for things  
you teach

## Display

Show your badges in the  
places that matter

## Introducing Open Badges:

a new online standard to recognize and verify learning

# What if we used badges for learning?

Visual representations of  
achievements, learning, skills,  
interests, & competencies

They can represent  
hard & soft skills, peer assessment, &  
stackable lifelong learning

Through a shared  
badges infrastructure:  
a universal standard

# Making it easy to **earn**, **issue** and **display** badges across the Web

## Earn

Earn badges for skills you learn anywhere.

## Issue

Give Credit for things you teach.

## Display
