ROCKING THE HELPFUL

OPEN WEB SINCE 2008

Do you want to rock the helpful web with us?

Do you want to *help the people contributing to Mozilla's open source mission through your coding skills?*

It's as easy as saying "1, 2, 3, 4"!

1. Say «hi!» to our SUMO Developers on IRC: server irc.mozilla.org / channel #sumodev
2. Take a look at our technical documentation at <https://kitsune.readthedocs.org/>
3. Fork us on GitHub: <https://github.com/mozilla/kitsune/>
4. Let our SUMO Devs help you choose the best place to start.

The best time to get started is now. Even the smallest contributions make a difference!

WHAT'S THE MOST AWESOMELY HELPFUL NATION IN THE WORLD?

THE SUMO NATION!
